"Patriots' Indomitable Spirit to Build Free Republics Across the Globe"

[Special Edition: Bound for Glory - #4267 & #4476 Music & the Spoken Word On Location

In 1803 after President Thomas Jefferson bought the Louisiana Territory from France, St. Louis became the Gateway to the US West as explorers, trappers, miners and scores of wagon trains and steamships carried hopeful pioneers to a new beginning.

These were pioneers in every sense of the word who were establishing vibrant communities despite isolation, starvation, disease, disappointment and the harshness of the very land they hoped to settle. Year after year they set out in courageous pursuit of new frontiers.

Once again as Patriot Pioneers, we will capture and burn to ashes those who worship Satan in an evil quest for money and power, and then create Nations that ring the bell of Freedom to herald in a new beginning for We the People across the Globe.

Judy Note:

- **To my knowledge no Intel** has changed on timing of the Global Currency Reset, which officially rolled out on **Sun. 1 May**.
- **We expected Tier 4B** (us, the Internet Group) to be notified to set redemption/exchange appointments **by Wed. 4 May, Thurs. 5 May or Fri. 6 May** – with appointments beginning that, or the next day, according to Bruce.
- **Today Tues. 3 May** some bond holders received codes for their accounts, but their accounts weren't activated and likely wouldn't be until Tier 4B received their appointments, according to Bruce.
- **Tier 1 and Tier 2** have already been paid out, according to Bruce.
- **Tier 2** (the Whales who have already received 15% of their monies) have already paid off our national debt, plus were paying for NESARA out of the remaining 85%.
- **Tues. evening 3 May MarkZ:** "We have had two very solid confirmations from **Tier 3** that they received small bank wires (compared to what they are owed). They were Test Wires, and that tells us (imo) that real money has started moving in **Tier 3**. This is exciting. I think this is fantastic news."
- **On Sat. 30 April Fleming wrote:** "Venezuela and Iraq have both fulfilled the ISO 20022 requirements and agree to participate in world trade with ISO 20022 compatible digital currency. A State-backed, Asset-backed CBDC. This is the completion of the list of "first basket" countries we've been waiting for. According to Military contacts, this is all we've been waiting for."
- **Twenty-Three out of 210 nations** have changed their currencies to be gold/asset-backed. The rest would soon follow in order for their country to be accepted for international trade.
- **MarkZ:** There are five Tiers of folks exchanging. **Tier 1**-governments and royalty; **Tier 2**-Whales-Elite with platforms of currency, corporations, etc; **Tier 3**-Admirals Group, American Indians, CMKX, large church groups (like the Mormons), etc; **Tier 4**-all the hundreds of thousands paying attention to Intel - internet groups (all of us). **Tier 5**- those who never paid attn - the general public.

Judy Note: MarkZ referred to "large church groups (like the Mormons) being part of Tier 3." It is my understanding that the Church of Jesus Christ of Latter-day Saints (more commonly known

as the Mormons) was included in Tier 3 because they have a very large investment in the GCR, the proceeds of which they have designated to go to their most comprehensive humanitarian program set up in the world – with multiple humanitarian programs already active and staffed in most nations. The Church also has had for many years, very comprehensive food production, storage and welfare programs throughout the globe that were already set up to help those in need.

A. Tues. 3 May 2022 The Big Call, Bruce: Thebigcall.net 667-770-1866 pin123456#:

- **Tier 4B was still going this week Wed, Thurs or Fri** for notification – with appointments beginning the next day.
- There would be a change in the US Presidential Administration around **Fri. 13 May**.
- NESARA would kick in sometime from **today through 18 May**.
- A Universal Income will be available for senior citizen retirees.
- **Today Tues. 3 May** some bond holders received codes for their accounts, but their accounts weren't activated and likely wouldn't be until Tier 4B received their appointments.
- Tier 1 and 2 have already been paid out.
- Tier 2 (the Whales who received 15% of their monies) paid off our national debt and paid for NESARA out of the remaining 85%.
- **On Sat. 30 April** a Redemption Call discussed the rolling out of the Med Beds
- **For all Zim Bond redeemers** a \$100 T Zim note was equal to \$100 T US Dollars
- Those redemption monies would be put in a **Quantum Account**.
- **For Zim Bond holders who do not have a project**, 1% of those monies in their **Quantum Account** would be put in a **Primary Account** – from which you would have immediate access.
- **For those Zim holders who don't have projects**, their monies in the **Primary Account** would be put in a long term payout that would earn interest – the interest of which would be dependent upon the length of the long term payout.
- **For those Zim holders who don't have projects** that interest received in their **Primary Account** would be put in a **Secondary Account** – from which you would have immediate access.
- **For Zim Bond holders who have projects**, 10% of those monies in their Quantum Account would be put into a **Primary Account** – from which you would have immediate access.
- **For Zim Bond holders who have projects** interest on those monies in their **Primary Account** would be 6 1/2 % to 8%, perhaps 10% dependent on your negotiation about your project.
- **For Zim Bond holders who have projects** those interest monies earned in your **Primary Account** would be put in a **Secondary Account** – from which you would have immediate access.

- **CERN Emergency Alert:** CERN activated **May 2 2022**. Stephen Hawkins, Nuclear Physicist: “The God Particle found by CERN could destroy the Universe.”
- **Smoking gun evidence surfaces linking Joe Biden to Hunter Biden’s shady foreign business deals:** Will his DOJ indict? For years rational, thinking Americans have suspected Joe Biden is as corrupt as his son, Hunter Biden, and brother, James Biden:

- **Removing Roe v Wade/planned parenthood v Casey makes it a State's Rights issue** which means states can ban abortion but also states that keep abortion legal theoretically will be able to permit late term abortions that federal oversight previously deemed illegal.
- **Pentagon and American firms found involved in Ukrainian military biolabs.**
Russia's top investigator told RT that Moscow identified Pentagon officials involved in funding of Ukraine's alleged Bio-weapon Labs that developed viruses to be released on the general public and jabs that contained poisonous materials causing a variety of health problems including Heart Attacks for healthy people. <https://www.rt.com/russia/554898-russia-investigates-ukraine-biolabs/>

- **Election fraud** is exposed, check out Dinesh D'Sousa's 2000 Mules available from on May 7th (Trailer available on Rumble now).
- **Big Pharma fraud**...more truth to follow on the birth abnormalities experienced by female soldiers following the Pfizer vaccine.
- **All human trials** phase 1, 2 and 3 excluded pregnant and breast-feeding women. Developmental studies were done on 44 pregnant rats for 42 days.
- **The doctors** that concluded the vaccine to be safe were employed by Pfizer or owned shares in BioNTech.

E. Tues. 3 May JFK Jr.: May will be a month of upheaval.

- **May will be a month** when all the dirty things of this government will be exposed.

- **The current president** is disgusting to people not only in the United States but all over the world.
- **In a few days** we will send something that will destroy and expose these Kabbalahs.

F. International Child Sex Trafficking:

- **Disney Secrets: Underground Tunnels & Cages/CIA Drug & Human Smuggling/Occult Pedo Epstein Island!** Facilities for the torture of children can be found all over the world, including in underground tunnels under Disneyland in Florida. Disneyland also regularly sent tourist boats full of children to Epstein Island in the Caribbean, many of whom never returned. Sources claim that the movie is "Monster Corporation" which describes the "fuel" that is collected by terrorizing children, concerns the Adrenochrome: <https://is.gd/VEVsLd>

- **Hollywood actress Angelina Jolie flew to Ukraine,** to Lviv. The first video with her was made in a coffee shop (a child with headphones, who did not pay any attention to her, has already become a meme). She left an autograph on the menu and went to drink coffee. Later, Jolie visited the city hall and Lviv railway station. A video about how Angelina Jolie admits to participating in the satanic rituals of the Illuminati can be viewed here: <https://rumble.com/vulmc3-angelina-jolie-admits-to-participating-in-satanic-rituals..html>

H. Global Food, Fuel and Goods Shortages:

- **US:** Rembrandt Foods killed 5.3 million chickens as a result of "bird flu" last week, and then almost all of its employees were laid off. "They cooked these birds alive," said one of the Rembrandt employees involved in the cull. The cull was repeated at poultry and turkey farms in Iowa and 28 other states from Maine to Utah.
- **On Friday** Indonesia announced that it would ban the export of palm oil: "This is part of the global plan of the HMM clique to starve humanity to death. President Jokowi instructed HM to do this to his own country," a CIA source in Asia said.
- **The Shanghai cargo congestion** could bring down the world economy: <https://www.msn.com/en-au/news/other/the-shanghai-cargo-congestion-could-bring-down-the-world-economy/ss-AAWPaSt?ocid=mmx&PC=EMMX01>

I. Global Financial Collapse:

- **Deutsche Bank, EUs biggest bank:** "We will get a major recession," Deutsche Bank economists wrote in a report to clients on Tuesday. (Not reported in MSM).
- **UKs biggest banks:** "I can't see it getting any better': could the UK be heading for a recession?" (Not reported in MSM)
- **Bank of America, U.S. biggest bank** was in a collapse and bought out by smaller bank. "Bank of America warns 'recession shock' is coming." (Not reported in MSM).
- **Tens of thousands of small banks** close across the world.
- **The big banks** that would not sign onto the new Quantum System are collapsing, or being bought out.
- **Wells Fargo Bank** has come into full control of the White Hats for the RV.
- **Weakest currencies in the world,** Victor Mochere: <https://victor-mochere.com/top-20-weakest-currencies-in-the-world>
- **Russia Is Returning To The Gold Standard And China Is Going To Be Next:** <https://twitter.com/QTRResearch/status/1521456469308231682?s=20&t=hY-vFb09JR6dvPNexdyE6Q>

J. Russia/Ukraine War Between the Deep State and White Hats:

- **Pentagon, US companies involved in Ukraine military biolabs** – Russia's top investigator: <https://www.rt.com/russia/554898-russia-investiagtes-ukraine-biolabs/>
- **Joe Biden sent:** 13.6 Billion aid package to Ukraine, then 1.3 Billion in April, 350 Million in February, 800 Million in March and another request for 33 billion. Hundreds upon hundreds of millions connected into billions, connected to 80 years of trillions. The Deep State was funneling money into Ukraine through the CIA, Blackrock money laundering system.
- **You can understand why HMS are fighting for their lives.** Our sources in the CIA say that the Satanists from the Azov battalion, who took refuge at the steel plant in Mariupol, are fighting to the death because they know that they will be killed as soon as the adrenochrome collection facilities are found there. <https://t.me/BenjaminFulfordJournalist>
- **The Ministry of Foreign Affairs of China,** reflecting the point of view of most of the world, publicly calls the United States a rogue state acting in violation of international law.
- **Many European countries agree and are distancing themselves from the US-occupied HMM.** That's why, as the latest sign that Russia is winning in its campaign to remove Satanists from Ukraine, Poland, Italy, France, Germany, Bulgaria, etc. were forced to abandon their threat to cut off Russian gas money and started paying in rubles.
- **Foreign mercenaries whom the West has been actively sending to the Donbass for several years include** a mercenary from the UK who addressed his "colleagues" with an appeal to immediately leave Ukraine: <https://t.me/RtrDonetsk/5390> Having succumbed,

like many other "soldiers of fortune" to the appeals of numerous Western recruiters, Hill found himself in a remarkable company of criminals, rapists, sadists and looters who came to Ukraine. He was faced here not only with a much larger scale of military operations, but also with a lack of weapons, interruptions in ammunition, medicines and even food. By the way, the mercenaries solved the problem of food shortage by robbing local residents, taking an example from their Ukrainian colleagues. But Hill was even more shocked by the Ukrainian security forces. It turned out that there are many neo-Nazis, psychopaths, alcoholics and other marginals among the "defenders" who are unable and unwilling to fight for Ukraine. They "fight" mainly with their own civilians, robbing, raping and killing.

- **Brits are defending Nazi/Zionist's:** "We paid attention to the anti-historical statements of the Israeli Foreign Minister Yair Lapid, which largely explain the course of the current Israeli Government to support the neo-Nazi regime in Kyiv."

K. Covid/Vax Hoax:

- **An 80,000 page report released by Pfizer on Tues. 3 May 2022** showed they had knowledge that the vaccine harmed fetuses in pregnant women, plus the vaccine had only a 12% effective rate.
- **The bosses of HM have already stated that they want to force people to take vaccines that change their genes (to domesticate them)** if they want to get a portion of insect protein. Perhaps that is why our sources report that David Rockefeller Jr. is working on projects for the production of insect feed in the Philippines.
- **Babies are Delivered Alive and Their Hearts Cut Out Without Anesthesia to Develop Vaccines.**
- **The bottom line is that Pfizer has legal immunity** from prosecution if its "vaccine" against Covid-19 harms people or does not work (except for fraud, which is notoriously difficult to prove), but it does not have such immunity if it misleads investors. In order not to mislead investors, Pfizer must disclose significant risks and uncertainties.

L. The Rest of the Real News for Tues. 3 May 2022: [Anonymous | CERN EMERGENCY ALERT the portal has been opened #demons #angels - YouTube](#)

- **CERN Emergency Alert:** CERN activated **May 2 2022**. Stephen Hawkins, Nuclear Physicist: "The God Particle found by CERN could destroy the Universe."
- **In 1934 the LA Times reported on a lost Lizard City found beneath LA, CA.** It is said the city was destroyed and no longer there but was that a lie? Military reports of an underground network of tunnels and bunkers exist under the city with connections to

other bunkers. The clues to finding the tunnels and entrances are in plain sight if you know where to look.

- **May 2 2022 Public and International Notice of Fraud in Progress Bank of England JPMorgan Chase and Co.** Gentlemen, Ladies: Please find attached a copy of our Federal Court Order mandating discovery and recoupment of American Trust Assets and consider this your complete Notice.
- **115 persons are implicated in crimes against the peace and security of mankind**, of which 63 have been indicted. Naturally, these figures are far from final.
- **No matter what the Western media and propaganda outlets are saying**, everyone can see that Ukrainian troops prefer to surrender whenever they get the chance.
- **Sadistic torture of Russian POWs by Ukrainian neo-Nazis** has no justification.
- **Precisely identified:** the circle of individuals involved in biological research for military purposes in Ukraine. The list includes US officials from the Department of Defense and a number of American contractors.
- **Since 2005**, the amount of US funding of biological research programs in Ukraine exceeded \$224 million.
- **What court will try Ukrainian nationalists** is still an open question. We are considering several options. The principles of universal jurisdiction allow national courts to try such cases. We also support the idea of setting up a specialized tribunal for this purpose. The key thing is to ensure that the court or tribunal in question is fair and unbiased.

N. Treason, Conspiracy, Sedition:

- **Russia Gate Revealed:** Pompeo Investigation into the House Intelligence Committee revealed Swalwell, Schiff and Pelosi connected to Hillary Clinton/Obama Cabinet Members took Intel from the CIA (also involved) and gave it to reporters to create a narrative about Trump.
- **Last week** House Intelligence Committee Rep. Devin Nunes said "Durham Report coming soon!"
- **Last month they arrested 700 CIA Agents** across the world, who gave debriefings on foreign interference in the U S. Elections – that connected to a German CIA farm which was then raided.
- **Many of the CIA Agents** were also involved in the leaks in the Russia Gate Investigation. Haspel and FBI Head Comey was named inside several investigations connected to 2020 Election fraud, Treason and Sedition.
- **They were now trying to shut down** Social M – labeling them as terrorists or White Supremist factions.
- **Many Election Fraud Media Outlets** have been taken down.

O. The Storm of the Century:

- **There was lots of division** going on over SCOTUS Leak.
- **What's really interesting was that they readied barricades** around the Supreme Court Building BEFORE the leak happened.
- **Many believe the whole scenario was a False Flag** to cover the release of the 2000 mules nationwide film release (about exposure of the 2020 Election Fraud).
- **Many believe that the leak was connected to Events** that would trigger riots.
- **My personal belief was that Judge Robert's assets were confiscated** by the Military in 2018 (29 billion \$) and he was forced to play out the Events connected to the exposure and Fall of the SCOTUS.
- **All three branches of the US Government** were captured operations and were under foreign occupation.
- **On 21 Jan. 2022 at 12:00 am the US Military** took legal control of the U.S. through Laws of War that were activated after 12 months (since January 20 2021 the Biden Administration had a chance to come forward, expose the Foreign occupation and come clean – which they didn't. By the Laws of War of the Department of Defense the Military legally took over 12 months later.
- **The whole** Twitter, Ukraine, 2020 Election Fraud exposure, SCOTUS leaks, etc. were planned. Why? Because it would expose other Deep State countries, Elites, Presidents, Prime Ministers, organizations, the UN, NATO, DAVOS, Black Rock, Elites, Medical Mafia industry, Big Tech worldwide, MSM worldwide – the whole corrupt system.
- **The Plan** was happening and the movie was taking place. Unfortunately, people die in War. Not everything is clean.

- **Laws of War** happening right now. Continuity of government started in 2017. We were inside the Devolution Plan.

P. Musk: From Nazis to White Hats

- **We are also witnessing a major split in the ranks of the ruling oligarchy of the United States. Elon Musk from Tesla**, apparently, got out of control and now openly supports the "white hats". This is significant because Musk is the son of the famous Nazi rocket scientist Werner von Braun, according to Japanese intelligence sources and confirmed sources of the US Space Agency.
- **Von Braun, considered by many to be the head of the US space program**, made some interesting confessions when he died of cancer. He said the US would try to control the world by creating space-based weapons. They would justify the huge expense by inventing fake enemies. First the Russians, then the terrorists, then the third world lunatics, then the asteroids and finally, "the funniest thing, the aliens, this will be the last card, and all this is a lie," he said.
- **CIA sources tell us that the public life story of Elon Musk is a huge lie** and that from the very beginning he was a cover for the commercialization of Nazi high technologies. Sources associated with Musk have given us evidence that electric car technology has been suppressed for a long time. Here we see the charging of electric cars in 1917. Next we see a video of electric taxis with quickly replaceable batteries operating in Spain in 1943. <https://t.me/BenjaminFulfordJournalist>

Q. Tues. 3 May Fleming: The non-Compliant US Part 2

- **If it is true that the US Gov Inc., is caught in a vice of no escape.** If it is true that the US Gov Inc., is bankrupt. If it is true that the US Gov Inc. has been dealt with, then there is a potential of an offer and compromise.
- **If it's true that the Supreme Court is overturning Roe v Wade**, then, we have turned a corner. The proof is here. <https://www.politico.com/news/2022/05/02/supreme-court-abortion-draft-opinion-00029473>
- **Remember, We the People have no rights under the existing Admiralty Laws** - the Law of the Sea. In Common Law though, sovereignty is the principal overarching factor, with all laws supporting the individual's sovereignty. It is obvious that a Return to Constitutional Justice is now afoot, with the leak by the Supreme Court about Roe v Wade.
- **The proof that We the People are Sovereign**, with all Rights to self-determination. That any US nationals have the ability to "Lift Yourself Up by the Bootstraps," once again. That freedom of choice becomes possible, is a benchmark we can hold high.

- **Looking back there was no way that We the People could have known what was coming.** Yet the Shift brings much needed change that paves the way for the Safety and Security, the health and longevity, of One and All. We are seeing this right now.

S. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

T. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture

and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

U. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within the organizations:

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
